**Workshop: Segmented Whirling Circle**  
Make a stunning centre for a quilt or a cushion or add more circles for an overall design. The sizes can vary according to the number of strips and fabrics.

**April 9<sup>th</sup> In house workshop  
Tansy Martin: Freezer Paper Applique**  
Learn tips and tricks gleaned from many tutors, three different ways to make stems, also circles and flowers including some Baltimore techniques. Use freezer and appliqué paper.

**May 14<sup>th</sup>/15<sup>th</sup> Anne Kelly  
Talk: My Practice**

**Workshop: Recycled/Vintage Cottage  
Garden**

Search through your fabrics for florals to appliqué to a square sample. Couch and hand embroider to complete. The sample can be made into a cushion, tote bag or framed picture.

**June 11<sup>th</sup> In house workshop**  
**Liz Coleman: Kaleidoscope**

Machine foundation piece a huge hexagonal star which just jumps together. A Christmas version would make a marvellous centrepiece. With a useful and logical method of foundation piecing Liz takes all the stress out of producing something which looks really complicated.

**July 9<sup>th</sup>/10<sup>th</sup> Sandie Lush**  
**Talk: From Old Cloth to Wholecloth**

**Workshop: Glorious Welsh Quilts**

Spend a day exploring Welsh quilting motifs. Use them to design an original quilt or wall hanging or stitch a traditional cushion from patterns provided.
